examines all the world's civilizations including those in the western tradition but also those civilizations sometimes neglected in world history texts maintaining a focus on social history explores gender class economic and intellectual issues while examining patterns of inequality and human agency throughout world history instructors of world civilization surveys that prefer a global account of history

the abolition of slavery and similar institutions of servitude was an important global experience of the nineteenth century considering how tightly bonded into each local society and economy were these institutions why and how did people decide to abolish them this collection of essays examines the ways this globally shared experience appeared and developed chapters cover a variety of different settings from west africa to east asia the indian ocean and the caribbean with close consideration of the british french and dutch colonial contexts as well as internal developments in russia and japan what part of the abolition decision was due to international pressure and what part due to local factors furthermore this collection does not solely focus on the moment of formal abolition but looks hard at the aftermath of abolition and also at the ways abolition was commemorated and remembered in later years this book complicates the conventional story that global abolition was essentially a british moralizing effort among the three or four perfectly virtuous pages comprised in the history of nations using comparison and connection this

book tells a story of dynamic encounters between local and global contexts of which the local efforts of british abolition campaigns were a part looking at abolitions as a globally shared experience provides an important perspective not only to the field of slavery and abolition studies but also the field of global or world history

presents the comprehensive framework of analytical techniques to help a firm analyze its industry as a whole and predict the industry s future evolution to understand its competitors and its own position

a path breaking book the first to examine the evolution of community organizing in u s cities while embracing mobilization the contributors acknowledge the challenges inherent in globalization and the norms and values that shape contemporary american culture still they reaffirm that community organizing has an important role to play as part of a broader progressive movement

this provocative book takes a new approach toward understanding the uneven flows of global communications rather than guiding its discussion by geography types of media or traditional separations of power and resistance global communications examines political economic power and communication in relation to historically specific encounters with modernity it underscores lived experiences in its approach to globalization showing that the state and the market can both be sites of empowerment just as civil society might also be a site of repression taking a political economic analysis of communication and culture this dynamic group of international authors looks beyond developments in the north american information and culture industries to map new forms of citizenship and exclusion the chapters spotlight china ghana india japan palestine russia singapore and venezuela and foreground the transnational formations of the european union the pan arab and spanish speaking markets and civil society actors in sub sahan african the middle east and north america theoretically driven and empirically grounded global communications defines communication broadly to include production circulation and consumption and addresses urgent questions about the inequalities of globalization and the possibilities of hybrid cultural forms and practices

new to prentice hall this upper level entrepreneurship text is perfect for the mba or executive mba market brief paperback the text frames the theories and applications of entrepreneurship within a resource based theory focus the new edition is designed to be more user friendly with increased pedagogy such as the street stories mini cases
